Canine Mass Removal

Please mark (X) the area of the mass, or masses, you would like removed during your pet's surgical procedure. Please number each mass noted to confirm the total number of masses to be removed: **PLEASE BE AS SPECIFIC AS POSSIBLE**

Due to the fact that we may find additional masses upon physical exam prior to surgery, please mark all masses set for removal. .

For Light-Colored Pets: Use a dark, washable marker to signify the masses you wish to be removed.

For Dark-Colored Pets: Use white-out to signify the masses you wish to be removed

If you have clippers at home, you can opt to shave some hair around the mass to signify the masses you wish to be removed.

PLEASE DO NOT USE SCISSORS
